

## Mondial Assistance India to provide Roadside Assistance to Porsche owners in India

Mondial Assistance India now offers a dedicated roadside assistance and breakdown service 24/7, 365 days a year for all Porsche vehicles sold through their authorised dealers in India.

This programme, **Porsche Assistance**, has been exclusively designed for Porsche owners and is automatically effective on all vehicles delivered after 1<sup>st</sup> January 2009 for a period of 24 months. Porsche Assistance will ensure that in the unlikely event of a customer's Porsche being immobilized, whether at home or elsewhere, the inconvenience is minimized and he can call the toll free number 24/7 to get real time assistance. The programme covers vehicles against all major electrical/mechanical faults, road traffic accidents and driver error. The programme also includes services such as medical coordination and urgent message relay in case of emergencies as well as providing a replacement vehicle, hotel accommodation or onward journey facilitation in case the customer is out of his home city.

Owners of Porsche vehicles purchased before January 2009 may buy into the programme and enjoy the same peace of mind.

**Rajesh Sethi** CEO of Mondial Assistance comments "Mondial Assistance India takes great pride in its association with Porsche India and continues to invest in its existing facilities to ensure a world class experience to Porsche customers in India"
